A Note from the *Founder*

My love for food began in my mother's kitchen. For over twenty years, she and I have cooked together, and many of the recipes in these hampers are hers.

What started as *Chocolat by Sandhya*, handmade dark chocolates for friends, has grown over fifteen years into Sandy's Bakehouse: cakes, desserts and gifts for birthdays, weddings and every celebration in between. These Diwali hampers carry the same promise. Each one is made in small batches, packed by hand and checked by me before it leaves my home.

Thank you for letting me be a part of your celebrations.

With love, Sandhya

KIND WORDS

"Diwali doesn't feel complete until our family gifts from Sandy's have gone out. I've been ordering since it was Chocolat by Sandhya, and I've honestly lost count of the years. I love every bit of it."

KAETKI SURI
GK-II, New Delhi (now Dubai)

"All the best treats for me and my family come from Sandy's. I've watched her go from that signature mango cake to everything she makes today, and the warmth, and the smile, have never changed."

DEEPA MALHOTRA
Central Park I, Gurugram
